

**DECLARATION AND POWER OF ATTORNEY**

As a below named inventor, I HEREBY DECLARE:

THAT my residence, post office address, and citizenship are as stated below next to my name;

THAT I believe I am an original, first, and joint inventor of the subject matter which is claimed and for which a patent is sought on the invention entitled

**METHOD FOR CALIBRATING A DEVICE, METHOD FOR CALIBRATING A  
NUMBER OF DEVICES LYING SIDE BY SIDE AS WELL AS AN OBJECT  
SUITABLE FOR IMPLEMENTING SUCH A METHOD**

the specification of which (check one)

\_\_\_\_\_ is attached hereto.

X was filed on September 23, 2005 (March 19, 2004) as United States Application Number or PCT International Application Number 10/550,269 (PCT/IB2004/050294) and was amended on September 23, 2005 (if applicable).

THAT I do not know and do not believe that the same invention was ever known or used by others in the United States of America, or was patented or described in any printed publication in any country, before I (we) invented it;

THAT I do not know and do not believe that the same invention was patented or described in any printed publication in any country, or in public use or on sale in the United States of America, for more than one year prior to the filing date of this United States application;

THAT I do not know and do not believe that the same invention was first patented or made the subject of an inventor's certificate that issued in any country foreign to the United States of America before the filing date of this United States application if the foreign application was filed by me (us), or by my (our) legal representatives or assigns, more than twelve months (six months for design patents) prior to the filing date of this United States application;

THAT I have reviewed and understand the contents of the above-identified specification, including the claim(s), as amended by any amendment specifically referred to above;

THAT I believe that the above-identified specification contains a written description of the invention, and of the manner and process of making and using it, in such full, clear, concise, and exact terms as to enable any person skilled in the art to which it pertains, or with which it is most nearly connected, to make and use the invention, and sets forth the best mode contemplated by me of carrying out the invention; and

THAT I acknowledge the duty to disclose to the U.S. Patent and Trademark Office all information known to me to be material to patentability as defined in Title 37, Code of Federal Regulations, §1.56.

I HEREBY CLAIM foreign priority benefits under Title 35, United States Code §119(a)-(d) or § 365(b) of any foreign application(s) for patent or inventor's certificate, or §365(a) of any PCT international application which designated at least one country other than the United States of America, listed below and have also identified below any foreign application for patent or inventor's certificate or of any PCT international application having a filing date before that of the application on which priority is claimed.

I UNDERSTAND AND AGREE THAT the foregoing attorneys and agents  
appointed by me to prosecute this application do not personally represent me or my  
legal interests, but instead represent the interests of the legal owner(s) of the invention  
described in this application.

I FURTHER DECLARE THAT all statements made herein of my own  
knowledge are true, and that all statements made on information and belief are  
believed to be true; and further that these statements were made with the knowledge  
that willful false statements and the like so made are punishable by fine or  
imprisonment, or both, under Section 1001 of Title 18 of the United States Code, and  
that such willful false statements may jeopardize the validity of the application or any  
patent issuing thereon.
